One of the very best we've raised there is a lot to be excited about with this guy! Deep soggy with a big butt and nuts. His dam is a pretty made bank note grand daughter that keeps producing a better bull every year, a maternal brother sold to Skori Farms. Can't be any happier with how the executive law sons have turned out 2 other good ones in the sale and unfortunately lost 2 good ones. A bull we think highly enough of that we would like to retain 1/3 semen interest and utilize him lots in our program.

Sundance son out of the great 19Y cow that has produced so many greats for us including a top heifer selling to Everblack Angus and sons to Wyatt Grauman. Love the length and style in this guy he will throw lots of power and style in his calves and you'll want to keep every daughter.

A definite pen favourite and feature this unique powerhouse son of 19 million has lots of growth, dimension and depth. His dam 19D has been admired by many to be one of our very best looking angus cows in the herd. A 19D son by Bravo sold couple years ago to the Renschlers of castor.
