SIMMENTAL & ANGUS BULL SALE

*Wednesday*  
March

*5* 2025  
2:00PM

NEW LOCATION at the farm *Sedgewick, Alberta*

welcome

TO THE PLACE YOUR BET BULL SALE

On behalf of Dad and I we would like to invite you all to the 21st annual bull sale. This last year has been full of many challenges including dad's lengthy stay in the hospital with flesh eating disease that was a very scary experience. We are thankful he is still with us and on the mend. We are very excited about the group of bulls for this year's offering, we feel we have a bull to fit almost any need in adding bull power to your herd. For the first time we are having the sale at the farm and excited to do it as a live video sale. Please join us March 5th at the farm for Lunch and hospitality with sale starting at 2 pm. Feel free to reach out to myself or dad with any questions about the offering.

Sincerely,

Dean Arntzen

## SALE DAY INFORMATION

**BULL DEVELOPMENT**

Bulls will be kept free of charge until April 1st. If the buyer takes purchased bulls home sale day, they will receive \$50 off sale price per bull. After April 1 the bulls may be kept at a cost of \$3.00 per day. Buyers need to insure the bulls while being cared for by the consignor.

**TERMS & CONDITIONS**

Cattle will sell under the standard terms & conditions put forward from CSA & BMS. These are available upon request.

**CATALOGUE DESIGN**

The information printed has been supplied by the seller and believed to be accurate. Updated sheets and announcements from the block will take precedence over any incorrect printed material.

**CATALOGUE ONLINE** Catalogue can be viewed online at  
[www.placeyourbetbullsale.com](http://www.placeyourbetbullsale.com)  
[www.bohrsonmarketing.com](http://www.bohrsonmarketing.com)

**SPONSORS** All of our sponsors are listed throughout the catalogue. We recommend them to you for price and service!

## WELCOME FROM BOHRSON MARKETING

On behalf of Bohrson Marketing, we welcome you to the 2025 edition of the Place Your Bets Bull Sale. For many years, we have been working closely with the Arntzen family and these folks use top end GENETICS.

That being said, you'll see consistency depth, the quality, in many red & blacks, calving ease & performance bulls throughout this catalogue. If you're looking for an Angus Bull, look no further as there is a deep offering throughout.

The cattle market is at an all time high and the excitement is electric in this industry and rightfully so. The cow numbers are low and the demand is incredible so it is looking extremely optimistic for many years on end. It is a prime opportunity to increase your bottom line even furthermore with strong herd sires like what is represented here at PYB. Dean has been actively campaigning their program throughout the fall and they are often complimented on their structural correctness and overall quality. This set of bulls represents those same qualities and is a prime spot to acquire new bull(s) to take your program forward.

Merlin and Dean have put together a cowherd second to none through modern genetics to make a powerful foundational cowherd which results in this set of Angus Bulls on offer. If you're looking for a new herdsire, have a look here at the new location at the farm. Give ourselves at Bohrson Marketing or the Arntzen's a call if you're unable to make it, we would love to give you a free appraisal.

Best regards,

*The Bohrson Marketing Team*

Our show bull we exhibited at Stockade in the fall. This guy is stout made, square hipped and topped, a lot like his sire that was reserve champion bull at farm fair 2022. His dam is from our great Henrietta cow family and producing better and better every year. Her last two sons sold to Prairie Skye Farms. **HETERO POLLED**

We had purchased a semen pack on Moonshine and we are sure glad we did he made some outstanding females for us and would love to have more sons built like this guy. Stout soggy and free moving with an incredible front end. His dam is becoming a top producing cow raising a show heifer that sold in our 2023 Up the Ante Female sale to Bellshill Angus.

Picture doesn't do this guy the justice he deserves! Stout soggy made the type of heifer bull that could be shown and working in a top purebred herd. Very mature for his age, a bull that has a bright future ahead of him. His dam is very solid made cow with a really good udder.

Stout and soft made this guy will have friends' sale day. Love the statement calves as they are very good performance bred cattle. His dam has been a top producing black red carrier cow that raised our high selling bull 10J that sold to Dustin Welch a couple years ago.

MATERNAL SISTER

Neat, sharp made, deep sided son of our how bull view point. Unfortunately, we lost him to injury this last spring so this is the only calf crop we got off him. His maternal sister was our top selling red angus female in our sale selling to Trevor Duke.

Sister 50L pic

Convoy son and one of our top red bulls out of one of our top producing red cows 40E. Typed so much like his sire whom we have sold lots of semen on this guy is solid made and will work on cows or heifers.
